# From the Chaplain

On the calendar there are four seasons. But our lives are filled with many different seasons. Each season has its successes and failures, ups and downs, mountains and valleys.

Of course, we want seasons with all sunshine! I remember reading a saying a long time ago, "All sunshine and no rain make a desert." The writing of Ecclesiastes reminds us that "God has made everything beautiful for its own time." God can take a bad day and turn it around in His own way. For whatever part of life we find ourselves in, it will have a beginning and it will have an ending. We will enter new seasons too. Ones that bring support, hope, and deeper faith.

*Thanks be to God for walking with us every day through the seasons of our lives!! Blessings -Pastor Clark*

# Bellezza Salon and Spa

## *Bellezza Salon & Spa* **THE SUN | GOOD OR BAD??**

### How much is too much?

This is different for everyone. It depends on your skin tone, age, health history, diet, & where you live. Scientists think 5-15 minutes up to 30 if you're darker skinned.

### Protect Yourself!

Wear sunglasses that block UV light. This will help protect your eyes. Use sunscreen that protects against both UVA and UVB rays | UVA -aging rays and UVB - burning rays

An SPF of 30 or higher with water resistance is best. If it does not say waterproof, re-apply every 2 hours or more often if you swim or sweat. Don't forget your lips, ears, and neck!

### Reminder:

Remember every time you fill your punch card for receiving services at the salon - you will receive \$30 to use on your next service compliments of Lutheran Manor.

### Referrals:

Always ongoing -- refer a friend or family member and receive a gift!
